Xi Xi Guo • Adaptation

Manhua sleeping travel
(but hasn't had many opportunities =="),
watching movies anime and manga. Not
too picky but prefers shounen-type
manga. Favorite mangaka is TAKA-
HASHI Rumiko and then all other popu-
lar mangaka in Japan. In other words
has probably been reading all of the
mainstream series. Very picky about BL
series though. likes IMA Ichiko though.

Feng Nong : Original Author

Origin of name: Was once nicknamed "Informa-
tion Center" for being kicked out of a cha-
troom three times in a row. So in her hatred
she came up with a name that was poetic but
too difficult to interpret. One of the best
ideas she has ever come up with.

Hobby: Eat eat eat eat chomp down on meat
and slurp down wine (the meat is lean, wine is
top quality rice wine from human). Unfortunate
ly mother doesn't let me have these. "You get
fat from eating too much meat, and I'm allergic
to wine, so pimples might grow if I drank it."
What a painful life!

Interests: Collecting stamps, basketball, swim
ming, has done 5 years of singing, 3 years of
martial arts.

Because my voice is much prettier, my looks
became plainer.
Because my body is much stronger, my limbs
have become stubbier.

Anyway, I'll regret learning those two things
until I die.

It's already been five days since I came here...
...he hasn't even visited once.
GULP
Pingting, you're too naive.
Why would he come?
You're just a lowly maid,
He's a Wangye*.

(TL Note: Wangye, as I may have mentioned before, is a word of respect used for brothers, cousins, or other relatives of the king. Wangye here is used to describe Chu Feiyue.)

RUB
RUB
THE MAID IS SICK WHY WOULD WANGYE EVEN ASK ABOUT THAT?
It's not time to think about that!
This is the Zhen Bewang prefecture, part of the enemy
I should be thinking of how to escape and how to meet up with Master
COUGH COUGH COUGH
The thing is, I have to get better first...
Master, Ping-ting misses you very much.

THAT DAMN CHEN GUANZHI; HE CAN'T EVEN CURE A GIRL.
COUGH, COUGH! WHY IS SHE STILL COUGHING?
(TL Note: This manhua isn't very explicit, but according to the novel, he is one of the best "doctors in the country," Dong Lin.)
...HER COUGHING HAS GOTTEN A LOT BETTER ACTUALLY.
THE DOCTOR SAID SHE SHOULD BE ABLE TO GET UP SOON.
The messenger, Mo Rang
FURIOUS
Ten days later...
HOW MANY DAYS?
Eh?
GLARE
MAYBE... AROUND TEN DAYS.
How am I supposed to know?!

WHEN MAKING BONE SOUP, HORIZONTALLY CUT THE BONE IN PARALLELS DON'T BREAK IT OR YOU'LL LOSE ITS UNIQUE FLAVOR.
MIX RHODIOLA, CYNORIUM AND POWDERED CITRONELLA. FIX THE MIXTURE AND PUT IT INTO THE SOUP. ADD THE BONES AND WAIT FOR THE FLAVOR TO SINK IN BEFORE ADDING FRESH LOTUS ROOT AND CARROTS...
...ANY-THING ELSE?
A LOT MORE

I'VE WORKED IN THE KITCHENS FOR MANY YEARS NOW. BUT THIS IS THE FIRST TIME I'VE HEARD OF SUCH A RECIPE

Desperate Measures game?
trembles
Don't tell me, you who disappeared for several days on end are now only here to mock me?

(TL Note. "Soldiers know fraud" is a line from the song Ringding always sings. It means deception is always used to defeat an enemy, especially in war.)
?
DON'T TELL ME IT'S "SOLDIERS KNOW FRAUD*" AGAIN...
HIK

IF YOU WIN, YOU WILL HAVE MY COMPLETE OBEDIENCE DO YOU DARE ACCEPT IT?
A WAGER ?
HMPH.
